The Best Language Training Place

WHY PHILIPPINES ?

High Level of English

Baguio City was developed as a resort city for the American soldiers. The city's architect was Daniel Burnham, who also designed Washington, D.C. As a prime destination for American soldiers, the American culture and language has seeped into life of Baguio people which led to the adoption of English as the first language to some and second language to many.

Safe city, Baguio City

"The taxi drivers in Baguio City never intend to keep their change as tip!" this is a sentence repeated over and over by people who came to Baguio City for language training. Baguio people are simple yet optimistic and are very friendly to foreigners. Baguio City is known to be a city of education, rest and leisure, and recognized by domestic and foreign tourists as the safest city in the Philippines. The Presidential Mansion, Philippine Military Academy, Country Club Golf Course, Club John Hay, and Burnham Park are some of the tourist destinations in the city.

Educational Environment

Baguio city boasts a cool temperature the whole year round - quite similar to Korea's Spring and Autumn temperature. This kind of temperature is the ideal and the most conducive-to-learning temperature.

Foreigners' Beloved City of Activities

Baguio City is surrounded by equally famous tourist destinations: San Fernando beach, a global surfing point where Americans and Europeans love to visit, is an hour away north of Baguio; Banaue (Rice Terraces) known as Eighth Wonder of the World; Sagada where you can experience caving and trekking and be immersed with the Cordillera Culture and Tradition; Hundred Islands known for its hundred island formation and beautiful beaches. Since there are various kind of exotic activity you may enjoy, it is easy to find somewhere you can rest whenever you need.

Traditional Education City of Philippines

Baguio City is an education hub. It is a host to 10 prime universities, three medical colleges, the Philippine Military Academy and an array of Language Academies. BECI Language Academy provides the highest quality of 1:1 class with carefully selected and trained teachers, located at a prime location in the city.

REASONS TO STICK TO BECI LANGUAGE ACADEMY

1

Educational Program

We have been conducting the 'SP program' (Speaking Prescription) that carefully processes errors and provides intervention in expressions, vocabularies, and grammar that students utter. SP also concentrates on pronunciation remediation under the 'Rehab Program.' These programs are known as BECI's proud strengths where students improve their English language and gain their own experiences of quality language training in Philippines.

2

Best Facilities

BECI's lecture building, dormitory, and community facilities were built by authorized Korean architects. These facilities are furnished with modern equipment. The lounge in the fifth floor of the dormitory building is furnished with a floor-to-ceiling glass window that features panoramic view of nature. The lounge has a cafeteria where students can dine, relax, and rest.

3

Nationality Ratio

35% of the population of BECI Language Academy are Japanese, Taiwanese, Chinese, Mongolian, Vietnamese, and etc. With these various nationalities, classes take an international composition necessarily adopting an exciting and meaningful interaction among students.

4

Student Integrated Management System (Edu Care System)

The EDUCARE System is the brainchild of BECI. BECI is the only academy with this management system. Enrolling in BECI would automatically put students in the EDUCARE database. The records include academic progress reports, SP video recordings, attendance etc.

Visit our website for more details.

BECI Airview

Lecture, dormitory, and community building have taken place alongside in more than 33061m² of wide land. Moving to other buildings takes 30 seconds walking distance, and convenient facilities are located inside and outside of the building.

BECI, AND NEW CAMPUS

BECI Academy with Double Guaranteed Security

BECI Language Academy's lecture building, dormitory building, and community center are a stone's throw away from each other. Resting areas are also located inside and outside of buildings. Sports area and facility like as Jokgu, basketball court, table tennis, badminton court etc. are strategically located within campus. Stalls, laundry shop, massage shop etc. are also in place.

The utmost safety is guaranteed since all of the buildings are built with solid construction materials. The facilities are equipped with quality insulations for fire protection. Moreover, security guard is positioned in each building giving the assurance of 24-7 protection.

BECI Teacher Training System

On 2016 BECI Language Academy established the standards in recruitment of teachers. The Academic department strengthened the recruitment of teachers by designing a teacher's recruitment and training program aligned with international ESL teaching standards like TESOL. The training system for teachers assures transfer of best ESL teaching practices to BECI teachers consequently assuring successful classes.

BECI Leveling System

BLS is BECI academy's home-grown levelling system for students. It provides a comprehensive description of students level of proficiency in the English language. The level test is facilitated every second and fourth week of every month. It covers the four macro skills - Speaking, Reading, Listening, Writing. The BLS pin points student's weak and strong areas in their language proficiency. With this, teachers are aware of student's weak areas and are directed to focus on these in their classes.

It is a program more tightly scheduled than the normal ESL program as it is only focused on the improvement of linguistic ability from the first day until the last day of the student. This program is more for the passive students who basically need other's control than the actively studying student therefore, going out during weekdays is not allowed. Besides, this Sparta program concentrates on correcting every single student's speaking and gives student a chance to correct the wrong expressions perfectly through SP program. For those who take more than 8 week training, the last one week is focused on studying speaking, pronunciation, and specialized class by attending Rehab (pronunciation correction) program.

Intensive Speaking Prescribing Program

SPEAKING PRESCRIPTION

Summary

Checking the improved ability during language training and catching student's weakness (vocabulary, grammar or pronunciation etc.) to help student to concentrate in a pertinent field.

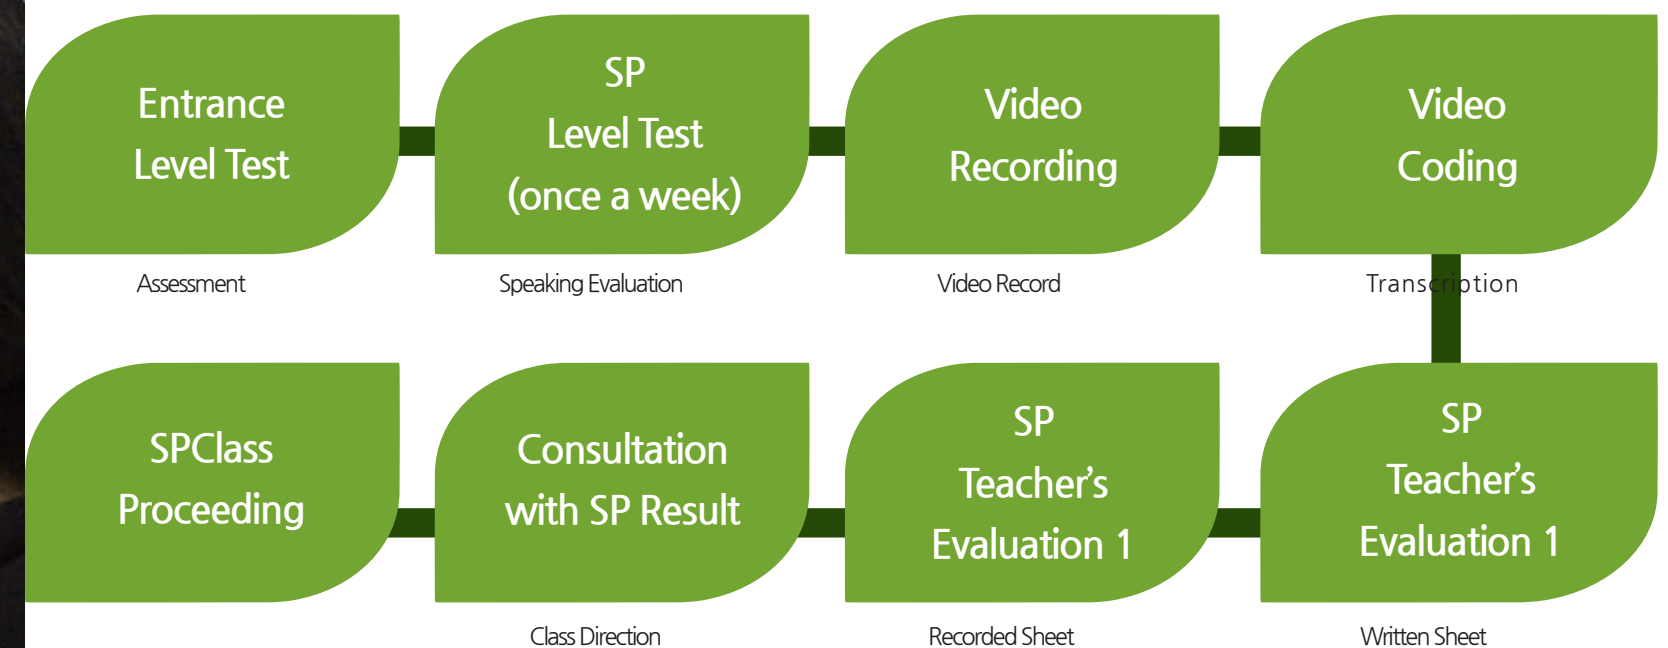

System of Test

Records all the processes, Methods include interview, encouraging student's active participation through various methods such as question and answer, picture description, and explanation of a topic.

System of Evaluation

A professional teacher in charge of SP transcribes the student spoken output from a recorded video and checks the errors on grammar, pronunciation, and fluency. The grades are divided into 9 scoring categories based on an objective rating standard (based on pronunciation, stress, intonation, vocabulary, context consistency, content accuracy, understanding of listener, accurate grammar, flexible use of well-polished expression etc.). The score generated from these categories serve as the basis of student's level.

SP Test Process

SP TRANSCRIPTION & RESULT

SP TRANSCRIPTION & RESULT

Pronunciation

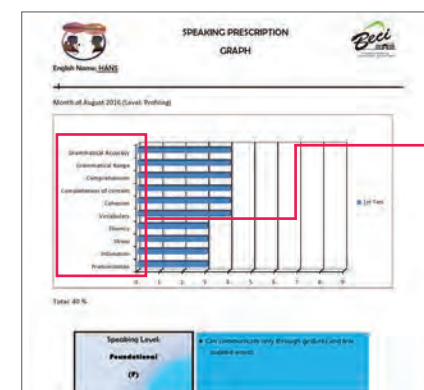

Pronunciation Correction:
A teacher in charge of SP recording catches the wrong pronunciation and guides to correct pronunciation

Grammar

Correct the wrong structured sentences to an appropriate structure

Expression Correction

Correct the unnatural expressions and guide to simple expression

SP Result Sheet

Evaluation of 9 criteria items such as grammar, understanding, sentence composition, vocabulary, stress etc.

The main goal of SP is to increase the number of commonly used expressions, and to immediately correct the errors of the students so that they would be able to use correct expressions in every day conversation.

Students will be able to use correct expressions and correct pronunciation immediately through this program within a week and know the level of completeness of the expressions after 3 to 4 weeks.

The leveling of the scores of SP is set from 1 to 9. 4 to 6 refers to intermediate level, and 7 to 9 refers to near advanced level.

Intensive Pronunciation Prescribing Program
